Report on Usage of LMS

The implementation of the Learning Management System (LMS) at Government College Kharkhara during the session 2020-21 has significantly enhanced the online teaching and learning experience. Students were informed about the LMS's functionalities through various channels, including a comprehensive video tutorial, ensuring they were well-equipped to use the platform for submitting assignments, participating in quizzes, and accessing course materials. Teachers and students were registered on the LMS, and a detailed report was shared with the Directorate of Higher Education (DGHE), Haryana. Teachers actively used the LMS to upload content, assign quizzes, and track submissions, which facilitated effective teaching and student engagement. Overall, the LMS has successfully streamlined academic activities, maintaining continuity and rigor in education despite the challenges of remote learning.

API Request for Data Upload for the LMS

Dear Hemant Sir

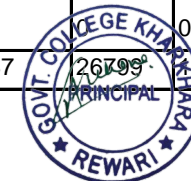

Greetings!!!

This mail is to bring to your notice that we have still not received the API from the department to upload the student data in the LMS.

We would request you to please share the same with us at the earliest to expedite the process, In the meanwhile, we have started the manual process of getting the data from colleges and uploading the same in the LMS, and providing the colleges with the training for the same.
